It is often remarked by strangers visiting our State that we show a larger proportion of good horses than any other State in the Union. This, we tell them, is owing to two principal reasons: in the first place, we breed from the very best stock; and in the second place, our people use *Sheridan's Cavalry Condition Powder*, which in our judgment are of incalculable advantage.

Judicial Convention—Fourth District.

SERVICES at St. John's Church to-night at 8 o'clock.

THE Mayor had quite a full docket to contend with this morning.

THE crossing at the intersection of Second and Princess streets is completed.

IT IS SAID that many people will go up from this city, to the Camp Meeting now in progress a few miles up the Cape Fear, on Sunday next.

HOG SHOT.—Mr. Cutlar had a fine hog shot on yesterday, by some scoundrel, on the outskirts of the city, the ball penetrating the head and killing it almost instantly.

THE Board of County Commissioners met this morning at 10 o'clock, but transacted no business save the hearing of tax complaints. Adjourned to meet again at 10 o'clock to-morrow morning.

REPUBLICAN MEETING.—The Republican meeting at the Market House last night drew forth a large assembly of persons. A number of speakers addressed their fellow-citizens, and the meeting kept up to a late hour.

REMOVAL.—We notice that King & Cleaver have removed their Barber Shop from their old stand on Market street, from the building now being demolished by Messrs. Green & Flanner, to that lately occupied by Mr. Runge as a saloon, nearly opposite the National Hotel.

FIGHTING.—Two colored women were arrested this morning and brought to the City Hall, for fighting. One of them received a severe wound over the right eye, and the other also received a wound over the left eye. The weapons of war used by each was a piece of hoop iron and a stick, and both of them were very bloody. We are requested to withhold names, etc.

THE CAPE FEAR VICTORIOUS.—By telegram received by the Mayor last night, we are informed that the Cape Fear beat her rival all hollow, at Charleston, on yesterday, throwing one hundred and ninety-two feet four inches and the Comet throwing one hundred and seventy-seven feet four inches, thus distancing the Comet 15 feet. "Rah!" for the Cape Fear boys.

THE CRY OF FIRE—FALSE ALARM.—Last night, just at the conclusion of the Republican meeting at the Market House, our ears were startled by the cry of "Fire!" proceeding from the neighborhood of Third and Market streets; hurrying in that direction, we soon ascertained that the alarm was a false one, it having evidently been caused by the military company, drilling in the armory under the City Hall, giving the command to "Fire!" as was the case some weeks ago. The engines turned out promptly, but it was soon ascertained that their services were not needed.

MAN DROWNED.—This morning, between the hours of 10 and 11 o'clock, a colored man fell overboard from a turpentine raft, opposite Messrs. Blossom & Evans' distillery, and was drowned. It appears that he was engaged in pushing the raft along the timber-pen, and making a misstep, fell overboard. His body was found about twenty minutes after the accident, by means of grappling irons, but life was extinct.

The Coroner summoned a jury of inquest, who, after hearing the evidence, returned a verdict of accidental drowning.

[COMMUNICATED.]

To the City Authorities:

The government of the United States in guaranteeing to her citizens the freedom of speech, and also provided against the abuse of such liberty. The disgraceful harangue of vulgarity and profanity delivered by one of the speakers, at the Market House last night, should be a matter for your immediate action.

If the public streets are made the theatre of indecency, where the public are compelled, in the pursuit of their business, to hear epithets and language fit only for the infernal regions, then, though coming from the democratic supporter of Waddell for Congress, it should be stopped. Decency and the morals of society demand it. So say the PEOPLE.

Mayor's Court.

His Honor W. T. CANADAY, Mayor, presiding.

The Mayor disposed of the following cases this morning:

Dixon Smith, for shooting a hog.—Case continued over to 9 o'clock Saturday morning.

Three persons, for selling liquor on Sunday. Cases continued over to Saturday morning.

Joseph Burk, for drunkenness on the streets. Continued over to Saturday morning.

Thomas David and Daniel Noon, for disorderly conduct, were fined \$5 and costs, or ten days on the streets.

C. M. Blount, for disorderly conduct. Case dismissed.

"COME BIRDIE, COME."—But birdie did not come, nor has not yet returned. Yes, the pet mocking bird, that beautiful songster, owned by Col. Davis, mine host of the Purcell House, escaped from his cage early this morning, and the last seen of him he was perched upon the roof of the Dawson Bank, just across the street. The Colonel has our sympathies in this his sad bereavement. Alas! we know not what a day may bring forth!

RUNAWAY.—The horses attached to the Express wagon ran away, this morning, from near the corner of Front and Princess streets, and for the moment we thought that we would have to chronicle a big smash up, but, as usual, our hopes were doomed to disappointment, for after dragging the wagon over the sidewalk opposite the Post, shunning that ugly looking pavement over the way, above which that ugly looking fellow, the local of the *Journal*, hangs out, they tured the corner of Second and Princess streets, run a short distance, and were stopped without any damage being done.

TRIED FOR SHOOTING A HOG.—By reference to the proceedings of the Mayor's Court this morning, it will be seen that a white lad was brought up for shooting a valuable sow a day or two ago, belonging to a colored man, near Green's mill pond.

The Mayor should deal with such offenders as they most justly merit, for willfully destroying other people's property. We have heard of several such occurrences for the past two or three days, and we do hope that an example will be made and that we will not be again called upon to chronicle such shameful proceedings upon the part of boys who view it in the light of pleasure and amusement.

ARRESTED.—A colored man, who is said to be an escaped convict from some point up the Cape Fear was arrested this morning at the wharf of People's Steamboat Line, with carpet bag in hand, prepared to take passage on the steamer A. P. Hurt, to-day. He was under the influence of liquor and was creating considerable disturbance, cursing and abusing some one on the wharf in the presence of a great crowd, assembled there for the purpose of attending the camp meeting. A policeman arrested and conveyed this son of "Bacchus" to the station house, where he will be interviewed to-morrow morning by the Mayor.

HOUSE BURNED—NARROW ESCAPE.—Yesterday afternoon, about 2 o'clock, a house occupied by Mr. Wm. Starkey, at Spring Hill, Brunswick co., caught fire while the wife of Starkey was occupied cooking dinner. Discovering that the sides and roof of the building was in flames, she seized her two small children, and running out, placed them on the grass some distance from the house. She then hastened to the rear of the building to endeavor to save some of the furniture, but owing to the strong breeze prevailing, and the rapidity of the flames, this she was unable to do.

Several neighbors seeing the flames came to her assistance, and arrived just in time to save the children from being literally roasted alive, as the fire, owing to the dryness of the grass, had reached the spot on which they were lying.

The house, together with the furniture, was entirely consumed. The family are left entirely destitute, but by the kindness of Capt. Thomas and some of the neighbors their immediate necessities were relieved.

Starkey is represented as a hard-working, industrious man, and has the sympathy of the entire neighborhood.

THE citizens generally will be pleased to learn that the Mayor has given orders to the Marshal to break up all meetings like the one that took place at the Market House last night. Persons who are responsible, and will see that order is preserved, can get permission to hold meetings, and have officers to protect them in their rights, but to have a man cursing and disgracing not only himself, but the community in which he lives, like W. T. Cutlar did last night, should be put a stop to. The police who allowed such conduct should be suspended or discharged from the force. There is great indignation manifested to-day on the streets by the citizens who live in that part of the city, and we understand that the matter is to be thoroughly investigated.

ORGANIZATION OF A NEW LODGE.—Past Fathers James E. King, John H. Brown and John K. Cutlar have returned from Raleigh, whither they have been to organize a new Lodge of the G. U. O. O. Fellows. The name of the new Lodge is Virtue, but the number could not be ascertained in the absence of the warrant.

The Lodge was started with twenty-six charter members, and it is predicted that it will soon become one of the brightest Lodges of the Order in the State.

There will shortly be a new Lodge of this Order instituted in the city of New-Berne.

Messrs. King, Brown and Cutlar take this opportunity of returning thanks for their kind reception at the hands of the citizens of Raleigh.

THE FAYETTEVILLE MILITARY COMPANIES.—The Eighteenth Anniversary of the LaFayette Light Infantry took place in Fayetteville on the 20th inst. The Fayetteville Independents were among the invited guests, and both companies in their very handsome uniforms had an enjoyable time. Target practice took place during the forenoon, and the first prize of the LaFayette Company, a silver pitcher and waiter, was won by William Jessup.

The first prize for which both companies contested, a silver cream pitcher and bowl, was won by I. B. Davis, of the Independents. A fine dinner was given at the fair grounds in the afternoon, at which speeches were made and toasts drank, and much enjoyment was had. A ball took place at night, and the gay soldiers and the bonny lassies had a good time dancing until a late hour.

The commanders of the companies were Capt. J. B. Starr, of the LaFayette's and Major Wright Huske, of the Independents.

We return our thanks for the invitations extended us, and the good time we had on the occasion.

We omitted to say at the proper place, that the prize shot for by the two commanders, with pistols, was won by Major Huske, who carried off the silver cup.

For the Post.

The Republican Party in North Carolina.

PLATFORM.

The following is the platform of the Republican party in North Carolina, adopted in Convention at Raleigh, April 17, 1872:

The Republicans of North Carolina in Convention assembled:

Resolved 1. That the platform and principles of the Republican party of North Carolina, as heretofore enunciated in its Conventions, are hereby re-affirmed, and events have proved that their practical enforcement is essential to the welfare of the country, and to the maintenance of the rights, interests and liberties of the people.

2. That the administration of President Grant meets with our hearty and unqualified approval, and our delegates to the National Republican Convention to assemble at Philadelphia on the 5th day of June next, are instructed to vote for his re-nomination to the Presidency of the United States.

3. That the Republican party of North Carolina favors as rapid a diminution and as early an extinction of all internal revenue taxation as the exigencies of the Government will permit, for the reason that the details of its collection are necessarily oppressive, and, in many respects, oppressive to our people.

4. That all internal revenue taxes on distillation of fruit ought to be abolished.

5. That the Republican party of North Carolina recommend to the Congress of the United States the passage of a general amnesty bill, and the adoption of all necessary measures for the enforcement and protection of the civil and political rights of all classes of American citizens.

6. That in a free and representative government, we recognize the paramount obligation to provide efficiently for the general education of the people, and we favor such legislation as will accomplish that end; that we respectfully recommend and ask of the national government, such aid, by the provision of public fund or the donation of public land to the several States, as will secure to the masses of the people of all classes the benefits of a liberal education.

7. That we full endorse the acts of Congress, passed to secure equal rights and protection to the citizens of the United States, in the several States; and we respectfully recommend a continuance of the present laws and the adoption of such further legislation as will more certainly secure to the citizens, full and practical enjoyment of all their rights, privileges and liberties.

8. In the opinion of this convention, the Democratic majority of the last legislature, by consolidating into one act its numerous propositions to amend the State Constitution, endeavoring to force upon the people a false issue, and to force them into the adoption of obnoxious amendments, and inasmuch as all these propositions must be submitted to the next Legislature for ratification, before the same can be referred to the people; therefore,

Resolved 1. That the amendments proposed as a whole do not meet the approval of the Republican party, because their adoption would subvert essential principles of the existing Constitution.

2. That Republicans can endorse a portion of said amendments and the next General Assembly may adopt such of them as shall seem best for the general welfare.

9. That we cordially endorse the administration of Gov. Caldwell, and recognize the fact that our people may rely upon his firmness in upholding their interests and defending their rights; and we heartily thank him for resisting the revolutionary purposes of those who designed to deprive the citizen of the protection afforded by the Constitution.

10. That forgetful of personal preferences we pledge ourselves to support earnestly and without reserve, the candidates presented by this convention, believing that in unity alone is strength, and that principles are more important than men to the republicans of North Carolina.

The following is the plan of organization which was adopted:

Resolved, That hereafter the organization of the republican party of North Carolina shall be as follows:

1. A State Executive Committee of eleven members to be appointed by the presidents of the State Convention; and the presidents of the convention shall be ex-officio one of the members of such committee.

2. Congressional District Committee for each district, to be composed of one member from each county, to be appointed by the Congressional District Convention.

3. A County Executive Committee to be composed of one member from each township, to be appointed by the County Convention.

Resolved, That the present organization shall continue to exist until the new one shall be effected.

Resolved, That the representation in the county convention shall be in accordance with the plan of organization of the party heretofore adopted.

The State executive committee is as follows:

I. E. West, of Craven,
T. B. Keogh, of Guilford,
N. W. Livingston, of Davie,
S. F. Phillips, of Wake, ex-officio,
R. W. Logan, of Rutherford,
S. T. Carrow, of Beaufort,
J. W. Hood, of Mecklenburg,
J. H. Harris, of Wake,
B. B. Ellis, of Wake,

AND THE
FAMILY.

THE COMPANION aims to be a favorite in every family—looked for eagerly by the young folks, and read with interest by the older. Its purpose is to interest while it amuses; to be judicious, practical, sensible; and to have really permanent worth, while it attracts for the hour.

Moulton, Louisa M. Alcott, "Sophie May," Rebecca H. Davis, C. A. Stephens, C. W. Flanders, Ruth Chesterfield, S. S. Robbins, M. A. Denison.

Its reading is adapted to the old and young, is very varied in its character: Stories of Adventure—Stories of Home and School Life, Letters of Travel, Tales, Poetry, Editorials upon Selections for Declaration of Sentiments, Puzzles, Biographical Sketches, Anecdotes, Incidents, Religious Articles.

THE POST
